.....famous for wood-fired pizza

*Clare & Rob would like to welcome you to Chatters!*

Chatters is an owner-run restaurant, with a very small team of staff (& occasionally family members!). We are known for our relaxed & friendly service & ambience. We are most famous among the Knysna locals for our thin'n'crispy pizzas. Made-to-order with the best ingredients & topped all the way to the edge, the pizzas are then baked in our wood-fired oven for that extra special flavour. Also growing in popularity are our burgers, mainly due to the juicy 200g beef patty we make on the premises. You will also find a selection of tasty pastas, potato bakes, toasted ciabattas & fresh crisp salads. Don't forget to save space for dessert...home-made by Clare 

## *A Note on Corkage*

We put a lot of time, effort & money into creating & maintaining our wine list. We feel it offers a great selection of South African wines at various price points & reasonable mark-ups. For this reason, we do not allow customers to bring their own wines into the restaurant. If you have any suggestions on wines, which we may include in future, they are most definitely welcomed. Thank you for your understanding.

## *A Note on gratuities*

Service is not included in your bill at Chatters. Tips/gratuities are left entirely at your own discretion. As a guide for visitors to South Africa, who are not sure of the tipping procedure here, a 10% tip would be the normal. For excellent service, one might consider a higher percentage.

SINCE 2005

*R5 added to your bill!*

*At Chatters, we support Street Smart.*

For you, the customer, this simply means that we will add R5 onto your bill automatically and this will be donated to the charity StreetSmart Knysna, which is involved with helping underprivileged children. This is a voluntary donation and should you not wish to participate, it is no problem - please just indicate this to your server. Alternatively, for those of you who wish to donate a larger sum, please also indicate this to your server, so that he/she can reflect it on your bill.

Here in Knysna, our beneficiary is the Sinethemba Youth Development Centre. Sinethemba is a drop-in centre for youngsters, in our local township, working with an average of 30 youngsters a day. To name but a few, the centre runs life and social skill programmes, substance awareness programmes and job readiness/job application workshops. They also focus on re-uniting street children with their families and trying to help children who have dropped out of schools to re-enter the education system.

Since inception it has rehabilitated close to 170 children back to school. Sinethemba's core focus is to change the attitude and lives of not just the children at risk, but also their families.

*Street Smart passes on every cent raised at Chatters,  
DIRECTLY to the beneficiary here in Knysna.*

## *A note on Avocado:-*

## *A note on our Pizzas:*

Dough is made daily by hand, not machine. Pizza bases are rolled by hand & for this reason may differ slightly in size & shape. Our small size base is 24cm and the large is 30cm, although more often than not they are slightly larger than this.

## *A note on our Kitchen:*

Whilst pizza is often considered "fast food", at Chatters the majority of our meals are prepared to order. This means that by sheer volume of orders at peak times, the food may take longer than expected. Please bear with us - the ladies are doing their best!- and if necessary order a cold starter which are usually served faster. If you have children in your party please ask you server to prioritise their food and we will prepare it as fast as possible. If you are under time restriction,
